Wexford Playgroup

Bethany Community Support runs playgroups as part of the Early Help Family Services program, a local service that supports families to help their children thrive.

Playgroups connect families to community and provide a place for parents to develop skills and for children to learn. They are also a great way to meet new people and socialise with other families.

- Fun activities for you to share with your preschool children
- Teach your child new skills
- Meet new families with young children
- Share information and ideas
