# Play2Learn

## About Play2Learn:

Play2Learn is 54 Reasons' supported playgroup program for children aged 0-5 and their caregivers. We use weekly high-quality playgroups to foster children's psychosocial development; facilitate school readiness; and improve family wellbeing.

## Who benefits from Play2Learn?

Play2Learn provides children with the chance to learn, grow and develop through safe and supported play which is crucial in shaping their physical, cognitive, social and emotional development.

Our playgroups not only benefit children, but also provides caregivers with access to support, connection to community, and the opportunity to learn and grow in their parenting role.

## How it works:

**Where:** Throughout Latrobe and East Gippsland.

**When:** During the school terms.

## Referral process:

**Do you know a family who is new to the community and feeling isolated, or a child in need of support to get them ready for school?**

Get in touch with our friendly and qualified Child Development Workers and Family Support Specialists by filling in a referral form, and we will get in contact with you to provide more information.

Play2Learn also works with other local specialist services to warmly refer children for additional supports where there are health, learning and development concerns.

**Play2Learn is funded by:** Department of Social Services

## 54 reasons - Australia's first and leading child rights organisation

We're here to make sure that everyone understands their rights, so that children and young people have their rights met and thrive, in all their diversity. We champion the children, young people and families we work with.

As a part of Save the Children Australia Group, 54 Reasons is inspired by the curiosity and creativity of children and motivated by the love of those who care for them. With the child's voice at the centre, we provide quality services to children and their caregivers, advocating with them so that children develop, learn, and are connected, safe and confident.
